Equine 25: National Conference on Equine Law Materials Resource Guide

Course Materials, April 2010

DVD* Only: \$275

Equine 25 is a comprehensive collection of conference materials from twenty-five years of our popular National Conference on Equine Law (1986-2010). Featuring nearly 20,000 pages of substantive text on one DVD*, this e-Resource is organized in four different ways – by topic, author, year, and table of contents. This organization is designed to aid the equine law attorney in quickly locating his or her area of interest. Search by topic, author, year, or table of contents and click on the highlighted link to retrieve your results. ***NOTE: Though available "on one DVD," it is not a video to watch.** It is a large collection of course materials in PDF format burned onto a DVD; a DVD here functions exactly like a CD, except that it has a much larger capacity for holding files. If your computer does not have a disc drive, please contact us and we will arrange some other way of getting the files to you.

Equine 5: 2011-2015

Course Materials, April 2015

PDF Only: \$400

A comprehensive collection of conference materials from the past five years of our popular National Conference on Equine Law (2011-2015). Featuring more than 5,200 pages of substantive text on one disc, this electronic resource is organized by year and includes the 2015 EquineDex to aid the equine law attorney in quickly locating his or her area of interest. This e-Resource can also be loaded on your computer or on your laptop so you can conduct your equine law research wherever you are!
