ABOUT UK/CLE SELF-STUDY PROGRAMS:

- Kentucky Supreme Court Rule 3.650 permits Kentucky attorneys to earn all of their mandatory CLE credit toward the satisfaction of their annual requirement by participating in accredited technologically transmitted programs, such as those offered by UK/CLE.
- The Self-Study programs in this brochure are only certified for credit through June 30, 2023. All mailed-in CD orders, however, must be received by June 22, 2023. Call after June 22 for CD availability. **NO CREDIT VOUCHER OR REFUNDS WILL BE ISSUED FOR PROGRAMS PURCHASED BUT NOT COMPLETED BY JUNE 30TH.**
Note: These programs are only accredited with the Kentucky Bar Association and cannot be used for CLE credit in Ohio, Indiana, or Tennessee.
- If you attended the live presentation of the program you are not permitted to claim credit for watching or listening to an audiovisual replay of that same CLE presentation through these Self-Study programs.
- High-speed internet access is required to stream video. For customers with low-speed dial-up or low-speed DSL, we recommend that audio CDs be purchased. Our programs are very user-friendly and technical support is also available to our customers if any problems arise.
- Only one attorney can claim CLE credit per Self-Study program, per program purchase; however, we offer additional user licenses for our Self-Study programs at reduced pricing. Call our office at 859-257-2921 for more information.
